WISDOM UNIVERSITY IN EUROPE

CHE recommends an event around Wisdom University coming to Europe, with **Princess Irene** and **Matthijs Schouten** on "*Leven in verbinding*" (June 22-24) - [links to more info here](#)

MOTHER'S NIGHT, MDG5 AND BEN KNAPEN

CHE actively partners in the **MDG5 Meshwork for improving Maternal Health**, which includes the yearly [Mother's night](#) campaign against maternal mortality. On May 16, Govt. Secretary Ben Knapen was handed 7 recommendations for MDG5 in The Hague, amidst 35 silhouettes of pregnant women, who symbolize the 350.000 women that die each year due to pregnancy or birthing. The Meshwork stimulates mother's nights around the world, as part of an awareness campaign against maternal death.

Deep Intelligence: The Role of Spiritual Intelligence in Leadership Mastery

Cindy Wigglesworth, President of Deep Change, Inc. and recognized expert in the field of Spiritual Intelligence (SQ), and Dustin DiPerna, author and long time student of philosopher Ken Wilber, will be explaining the role SQ plays in Leadership and how it connects to three other critical intelligences. Those in attendance will be eligible to receive a free Spiritual Intelligence Assessment - the SQI - valued at \$99 US. Introductory videos are available at www.deepchange.com/uk

SDi EUROCONFAB 2011, ALMERE, NL

CHE's 5th EuroConFab took place from 7,8-10 April - a conference for practitioners by practitioners sharing their experiences, quests and questions around the issue of evolutionary development and emergence. 60 change agents from around the world and Dr. Don Beck, gathered for three days to exchange, share and co-create around various themes. [Some CHE participants reflect](#) on a deeply transforming experience.

TRANSITION TOWNS TOTNES

In March and April, CHE and Transition Towns Totnes exchanged experiences and learnings. We hosted a meshwork session with key players in Totnes and they hosted a parallel session at the EuroConFab. Started in 2006, the Transition model and process has been taken up in communities around the world, as a way for people to find community scale solutions to challenges from climate change and resource depletion to economic instability and ecological destruction.

VACANCY: CHE WEB MASTER
