<b>WORKSHOP SPIRAL DYNAMICS INTEGRAL</b>  Engaging people's deep motivation - and your own	29/08	09:30 - 17:00
	<b>location</b> The Hub Amsterdam	

### description

So you want to meet people where they are... but where are they? And where are you?

Spiral Dynamics Integral provides a framework for understanding value systems and a clear perspective to look from while dealing with complex situations en planning the most appropriate intervention.

This one day course includes a Spiral introduction, a personal values test and a Spiral Walk experience: how do you experience the value systems and transitions in your own life? And, last but not least: how to apply this in your work/life?

price 300 euro hub member price 270 euro (ex- BTW)

### facilitator

Jasper Rienstra is synnervator at CHE School of Synneration.

He serves integral societal renewal by connecting and revitalising individuals, organisations and communities through direct experience, in the Netherlands, for the world. He works on organisational and leadership development and implementing complex change.

### audience

All evolutionary change agents that want to see the whole picture - in order to effectively facilitate human emergence in individuals, organisations and society.

And/or: everybody who wants to attend!
